

Shine's Book of the Month List 2018-2019

Shine knows that reading really matters for language development and recommends books with a positive and inclusive message for babies, children and young people every month. Over the past year, Shine has recommended picture books, short stories, interactive books and novels for children and young people with spina bifida and/or hydrocephalus.

Below is a list of Shine's Books of the Month for 2018-2019.
