Togethers magazine unites a community of 10,000 individuals, families, friends and professionals through sharing achievements, challenges and information on living with hydrocephalus and/or spina bifida, and related issues.

The magazine includes the latest news, reviews and expert articles from dedicated Shine specialists, as well as opinion and interest pieces written by members of the Shine community.

Other features include health campaigns, lifestyle choices, fundraising question and answer sessions, and personal achievement stories.

READERSHIP

Together magazine has a readership of 15,000 people throughout England, Wales and Northern Ireland. Digital copies are also available from the Shine website shinecharity.org.uk/together

Through controlled circulation and distribution, Together magazine is a highly effective means for advertisers to reach their target audience.

SUBSCRIPTIONS

Annual subscription to Together magazine is free. Sign up for Shine membership today and become part of our highly active community, by visiting our website shinecharity.org.uk/membership
I could push off the wall with their legs was competing against guys who were diving categorise para-swimmers. For example, I politics in swimming in terms of how they to be in: He enjoyed this but it was a tough environment soon competing in para-swimming competitions. He developed a passion for swimming and was Gobi also began to explore his interest in sport. Sports star great sense of freedom.' going without anyone pushing me gave me a able to move myself and decide where I was wheelchair more frequently, At secondary school Gobi began to use his primary school environment and he successfully made the transition. Stevenage. After a year the staff suggested and attended Lonsdale Special Needs School, and he continued swimming throughout university while you see guys getting selected over you at the turn. I just got on with it, but after a"
